

Presentations by JHS UTC Scholars - 2010						
#	Meeting	Place	Date	<u>Scholar-Presenter</u>	Title	Type of Presentation
1	Nebraska Conference for Undergraduate Women in Mathematics	Lincoln, Nebraska	1/30/2010	Jalonda Coats	Tougaloo College and Mathematical Applications Used in the Jackson Heart Study	Poster
2	MS Academy of Sciences	Hattiesburg, MS	2/11/2010	Shardale McAfee	Kidney Changes in Obesity Hypertension	Poster
3	Society of Behavioral Medicine	Seattle, Washington	4/10/2010	Marquita Watkins	The Influence of polarity Therapy for Massage on Career Related Fatigue	Poster
4	2nd Annual Cardiovascular Retreat	Collegetown, MN	6/25/2010	Grejika Abram	The Effect of Endoglin Over expression during Cardiac Development from ES Cells	Poster
5	Ronald McNair Scholars Final Presentations	Oxford, MS	6/28/2010	Jalonda Coats	Seperating Matrices	Power Point
6	Summer 2010 Aspergillus Symposium	Memphis, TN	7/30/2010	Ashley Poullard	The Effects of PKA & Cooperative Genes on Septum Formation in Aspergillus nidulans	Power Point
7	Summer 2010 Aspergillus Symposium	Memphis, TN	7/31/2010	Jordan Henley	Role of PKCA in Septum Formation in Aspergillus nidulans	Power Point
8	BWH Stars Final Presentation	Boston, MA	8/3/2010	Carensa Cezar	Relationship between Mineralocorticoid Receptor Antagonist, Caveolin-1, and Insulin Resistance	Power Point
9	2010 STAR Presentation	College Park, Maryland	8/3/2010	Jessica Jenkins	Accessible Areas to Engage in Physical Activity within African American Communities	Poster
10	The Bloomberg School of Public Health Diversity (DSIP) Summer Internship Program Poster Session	Baltimore, MD	8/4/2010	Amber Clark	The Association Between Secondhand Smoke Exposure and Psychological Symptoms Among Bar and Nightclub Employees	Poster

11	John Hopkins School of Public Health Poster Session	Baltimore, MD	8/4/2010	Yolonda Ross	Prevalence of CYP2E1 Autoantibodies in the Sera of Patients with Type 1 Diabetes	Poster
12	John Hopkins School of Public Health	Baltimore, MD	8/4/2010	Janae Roberts	Communication Measures Across U.S. Counties: Demographics, Metropolitan Status, Race, and Language Barriers	Poster
13	Summer Internship Annual Research Poster Session at John Hopkins University	Baltimore, MD	8/5/2010	Amber Clark	The Association Between Secondhand Smoke Exposure and Psychological Symptoms Among Bar and Nightclub Employees	Poster
14	Summer Internship Annual Research Poster Session at John Hopkins University	Baltimore, MD	8/5/2010	Yolonda Ross	Prevalence of CYP2E1 Autoantibodies in the Sera of Patients with Type 1 Diabetes	Poster
15	Summer Internship Annual Research Poster Session at John Hopkins University	Baltimore, MD	8/5/2010	Janae Roberts	Communication Measures Across U.S. Counties: Demographics, Metropolitan Status, Race, and Language Barriers	Poster
16	SURE Poster Presentation (Emory University)	Atlanta, GA	8/5/2010	Edjohnier Phillips	Drug Discovery's Headlight's: Jorgensen Rule of Three and Lipinski's Rule of Five	Poster/Oral
17	2010 STAR Presentation	College Park, Maryland	8/5/2010	Jessica Jenkins	Accessible Areas to Engage in Physical Activity within African American Communities	Power Point
18		Jackson, MS	8/5/2010	Kesha Hayes	Understanding the Toxicity of Silver Nanoparticles in Colloid and Powder Form	Power Point
19	UCB-NSF Research Experiences for Undergraduates Research Symposium	Berkeley, CA	8/12/2010	Jasmine Washington	Your Immune System at Work for You: The Role of Unc93b in Toll-Like Receptor 9 Trafficking	Power Point
20	Project IMHOTEP 2010: Final Presentation	Atlanta, GA	8/12/2010	Obie McNair	Analyzing Effective Social Network for Promoting HIV awareness Messages Targeting Young African American Adults	Oral & Powerpoint

21	Tougaloo/Kincheloe Society Symposium	Tougaloo, MS	10/15/2010	Carensa Cezar	Relationship between Mineralocorticoid Receptor Antagonist, Caveolin-1, and Insulin Resistance	Poster
22	Tougaloo/Kincheloe Society Symposium	Tougaloo, MS	10/15/2010	Jalonda Coats	Seperating Matrices	Poster
23	Annual Biomedical Research Conference for Minority Students	Charlotte, NC	11/11/2010	Carensa Cezar	Relationship between Mineralocorticoid Receptor Antagonist, Caveolin-1, and Insulin Resistance	Poster
24	Annual Biomedical Research Conference for Minority Students	Charlotte, NC	11/11/2010	Jalonda Coats	Determining the Functional relation of 24-hour Ambulatory Blood Pressure over time	Poster
25	Annual Biomedical Research Conference for Minority Students	Charlotte, NC	11/11/2010	Yolanda Ross	The Effects of beta-Glucan on Lipopolysacchande - Induced Cytokine Production	Poster
26	Annual Biomedical Research Conference for Minority Students	Charlotte, NC	11/11/2010	Jessica Jenkins	Accessible Areas to Engage in Physical Activity within African American Communities	Poster
27	Annual Biomedical Research Conference for Minority Students	Charlotte, NC	11/12/2010	Jasmine Washington	The Role of Unc93b in Toll-Like Receptor 9 Trafficking	Oral
