

## Scholar Presentation – 2013

<b>Emerging Researchers National Conference - Washington, DC</b>		
<b>2-23-2013</b>		
Joy Walker	Molecular Tools for Visualizing Sensory Structure Development	Poster
<b>Mississippi College &amp; Tougaloo College Undergraduate Research Symposium</b>		
<b>4-4-2013</b>		
Amber Shaffer	Electronic Health Records(EHR) Meaningful use and beyond: Opportunities and Challenges for Public Health	Poster
<b>Ronald E. McNair Post Baccalaureate Program - Oxford, MS</b>		
<b>6-27-2013</b>		
Ashley King	MAZ Regulation of G-Quadnplex Structures in the kRAS Promoter	Power Point
<b>Bioinformatics Poster Presentations - Itta Bena, MS</b>		
<b>7-2-2013</b>		
Elrica Brown	Isolation of the GAPDH Gene from Dendranthema Grandiflorum and Epipremnum Aureum	Poster
<b>Space Life Sciences Summer Institute Intern Research Day - Houston, TX</b>		
<b>7-22-2013</b>		
Sylvia Robinson	Medical Risk Analysis of an Exploration Mission related to Technology changes using an Integrated Medical Model	Power Point
<b>13th Southern School on Computational Chemistry and Materials Science(SSCC&amp;MS) Conference- Jackson, MS</b>		
<b>8-1-2013</b>		
Kisa Harris	Influence of Different DNA Bases on the Oxidative Stress Induced By High Sugar Concentration in the Absence and Presence of Antioxidants	Poster
<b>Strong Children's Research Center 23rd Annual Poster Day - Rochester, NY</b>		
<b>8-1-2013</b>		
Taylor Streeter	Effect of Quiet or Listening to Music while Breastfeeding on the Production and Lipid and Sodium Content of the Milk	Poster
<b>Summer Research Symposium - Jackson, MS</b>		
<b>8-2-2013</b>		
Rochelle Corbitt	Development and Function of Synaptic Innervation to the Inner Ear	Power Point
<b>Telecon Meeting of Summer Presentation - Jackson, MS</b>		
<b>8-5-2013</b>		
Sylvia Robinson	Medical Risk Analysis of an Exploration Mission related to Technology changes using an Integrated Medical Model	Power Point

<b>Annual Biomedical Research Conference for Minority Students - Nashville, TN 11-13-2013</b>		
Wynette Williams	Interactions of Stress, Social Support, and Academic Success	Poster
<b>Annual Biomedical Research Conference for Minority Students - Nashville, TN 11-14-2013</b>		
Amber Shaffer	Does Depression lead to Incident Diabetes in African American: Jackson Heart Study	Poster
Eva Ingram	Impact of Temperature and Iron on Bacillus	Poster
<b>Annual Biomedical Research Conference for Minority Students - Nashville, TN 11-15-2013</b>		
Melvin Smith	Cost Efficient Quality Management Strategies for Critical Access Hospital	Poster
Kisa Harris	Influence of Different DNA Bases on the Oxidative Stress Induced By High Sugar Concentration in the Absence and Presence of Antioxidants	Poster
<b>Annual Biomedical Research Conference for Minority Students - Nashville, TN 11-16-2013</b>		
Margie Rayford	Determining the Risk Factors for Post-Partum Preeclampsia	Poster
Jonathan Moore	Control of Stalk Cell Number Through Apoptosis	Poster
