Scholar Presentation – 2018

Emerging Research National Conference – Washington, DC					
	February 22-24, 2018				
Aswad Jackson	Lipopolysaccharide(LPS) –induced	Poster			
	Upregulation of Pro-inflammatory				
	Interleukin 1 Beta (IL-IB) is Abrogated by				
	Flavonoids in Mouse Macrophages				
Josiah Moore	Using the AMES Spot Test to determine	Poster			
	the Mutagenicity of Novel Breast Cancer				
	Drug Candidates Based on the Alkylation				
	of Substituted Anilines				
Mississippi	Academy of Sciences Conferences – Hattie February 22, 2018	sburg, MS			
Danielle Magee	Using ArcGIS to Effectively Analyze	Poster			
-	Areas Effected by Natural Disasters				
Abednego Nii Adom	Effect of DCLK1 On The Proliferation	Oral			
Commey	and Stemness of Colorectal Cancer Cells				
Raquema Williams	Prostate Cancer Drug Designing	Poster			
Kierra Jones	Correlation of Colorectal Cancer with	Poster			
	Double Cortin Like Kinase 1				
Justin Coleman	GraphenOxide as a Novel Carrier of Plant	Poster			
	Flavonoids				
Shantrell Redd	Natural Disasters in Mississippi Using	Poster			
	GIS				
An	American College of Cardiology – Orlando, FL				
Josiah Moore	March 10, 2018 Association of Vascular Stiffness with	Poster			
Josian Moore	Prevalent Cardiovascular Disease in	rostei			
	African Americans: The Jackson Heart				
A C	Study Miles of Conference Miles of Conference	Ol NE			
American Society of Animal Science Midwest Conference – Omaha, NE March 12, 2018					
Danielle Magee	Effects of Gestation and Lactation on	Power Point			
	Water Consumption in Lines of Mice				
	Divergently Selected for Water				
	Consumption				
American Chemical Society Conference – New Orleans, LA					
	March 21, 2018				
Raquema Williams	Prostate Cancer Drug Designing	Poster			
Tougaloo College - Mississippi College Fifteenth Annual Undergraduate Research Symposium -					
Tougaloo, MS					
Danielle Magee	April 5, 2018 Effects of Gestation and Lactation on	Power Point			
Damene Magee		FOWEL FULL			
	Water Consumption in Lines of Mice				
	Divergently Selected for Water				
	Consumption				

Justin Coleman Graphene Oxide as a Transporter of Plant Flavanoids			
Vanetta Walley	Justin Coleman		Plant Oral
Aswad Jackson Lipopolysaccharide(LPS) - induced Upregulation of Pro-inflammatory Interleukin 1 Beta (IL-IB) is Abrogated by Flavonoids in Mouse Macrophages Jamease Williams Myoglobin catalyzes the oxidation of Tryptophan Poster Tryptophan Faren White Preclinical Assessment of Garlic in the Management of Acute Promyelocytic Leukemia Shandria Sutton Diabetes and Technology Oral National Conference on Undergraduate Research 2018 - Oklahoma City, OK April 6, 2018 Quineshia Williams Quantification of Grain Growth Accompanying Phase Transformations in Perovskite Thin Films for Solar Cells New England Science Symposium - Boston, MA April 8, 2018 Timera Brown Immunoglobulin A (IgA) Coated Bacteria in Infant Stool Microbiota Used as a Biomarker for Immune System Development between Old Order Mennonite and Rochester Populations - A Pilot Study Disaster Coastal Studies Annual Symposium - Tougaloo, MS April 13, 2018 Danielle Magee Using ArcGIS to Map Disaster Effects on Mississispi Raquema Williams ArcGIS Power Point Mississispi Raquema Williams ArcGIS Oral Map Disaster Effects on Oral Power Point Shantrell Redd Using ArcGIS to Map Disaster Effects on Oral Power Point Creebral Inflammation and Edema in Rats Leadership Alliance National Symposium - Hartford CT 6/28/2018 Vanetta Walley PP2A Regulatory Subunit Providence, RI 7/2/2018 Vanetta Walley PP2A Regulatory Subunit Poster	Vanatta Walley		o Orol
Aswad Jackson Lipopolysaccharide(LPS) –induced Upregulation of Pro-inflammatory Interleukin 1 Beta (IL-IB) is Abrogated by Flavonoids in Mouse Macrophages Jamease Williams Myoglobin catalyzes the oxidation of Tryptophan Faren White Preclinical Assessment of Garlic in the Management of Acute Promyelocytic Leukemia Shandria Sutton Diabetes and Technology Oral National Conference on Undergraduate Research 2018 – Oklahoma City, OK April 6, 2018 Quineshia Williams Quantification of Grain Growth Accompanying Phase Transformations in Perovskite Thin Films for Solar Cells New England Science Symposium – Boston, MA April 8, 2018 Timera Brown Immunoglobulin A (IgA) Coated Bacteria in Infant Stool Microbiota Used as a Biomarker for Immune System Development between Old Order Mennonite and Rochester Populations – A Pilot Study Disaster Coastal Studies Annual Symposium – Tougaloo, MS April 13, 2018 Danielle Magee Using ArcGIS to Map Disaster Effects on Mississippi Raquema Williams ArcGIS Shantrell Redd Using ArcGIS to Map Disaster Effects on Oral Power Point Mississippi Experimental Biology Symposium – San Diego, CA April 22-23, 2018 Ahsia Clayton Placental Ischemia leads to Postpartum Cerebral Inflammation and Edema in Rats Leadership Alliance National Symposium – Hartford CT 6/28/2018 Vanetta Walley PP2A Regulatory Subunit Mutations that Increases Organ Size in Arabidopsis Brown University Symposium – Providence, RI 7/2/2018 Vanetta Walley PP2A Regulatory Subunit Poster	vanetta waney		a Orai
