Presentations by JHS Scholars - 2011

| Mississippi Academy of Science - Hattiesburg, MS 2/18/2011 | | | | | | |
|--|---|--|----------------------------|--|--|--|
| 1 | Jasmine Washington | The Effect of Modeled Microgravity on Macrophage Gene Expression | Poster | | | |
| | Emerging Researchers National Conference in STEM - Washington, D.C. 2/24-26/2011 | | | | | |
| 2 | | Your Immune System at Work: The Role of UNC93b | | | | |
| | Jasmine Washington | in TOLL Like Receptor 9 Trafficking | Poster | | | |
| 3 | | Drug Discovery's Headlight's: Jorgensen Rule of | | | | |
| | Edjohnier Phillips | Three and Lipinski's Rule of Five | Oral/Poster | | | |
| 4 | | U.S. Communities Emergency Communication | _ | | | |
| _ | Janae Roberts | Preparedness: Geographical, Race, & Ethnicity | Poster | | | |
| 5 | Jordan Henley | The Role of PKCA in Septum Formation in | | | | |
| | | Aspergillus nidulans | Poster | | | |
| 6 | Maurice Crawford | The Development of Anti-cancerous Ligands | PowerPoint | | | |
| 7 | Tamera Hughes | Predicting Sites of Metabolism for Cytochrom P450 | Poster | | | |
| 8 | Utilizing Interdisciplinary St | rategies to Advocate from Disparity to Reform - New 0 3/27-29/2011 | Drleans, LA | | | |
| 0 | Kesha Hayes | Understanding the Toxicity of Silver Nanoparticles | Poster | | | |
| 9 | | | roster | | | |
| / | Tamera Hughes | Predicting Sites of Metabolism for Cytochrom P450 | Poster | | | |
| 10 | Carensa Cezar | Relationship between Mineral corticoid Antagonist, | 1 obter | | | |
| 10 | Curonsu Cozur | Caveolin-1, and Insulin Resistance | Poster | | | |
| 11 | | 4/1/2011 The Effect of Functional Interactions among PkcA & Cooperative Cores on Sentum Formation in | | | | |
| | Ashley Poullard | Cooperative Genes on Septum Formation in Aspergillus nidulans | Oral | | | |
| 10 | Exp | erimental Biology 2011- Washington, D.C. 4/9/2011 & 4/11/2011 | | | | |
| 12 | Iondon Honloy | Role of PkcA in Septum Formation in Aspergillus | Destar | | | |
| 13 | Jordan Henley | nidulans Role of PkcA in Septum Formation in Aspergillus | Poster | | | |
| 15 | Jordan Henley | nidulans | Poster | | | |
| 2011 Mississippi College-Tougaloo College Undergraduate Research Symposium – Clinton, MS 4/14-15/2011 | | | | | | |
| 14 | Jamilah Derking | Gold Nanomaterial Based NSET for Monitoring Prostate Cancer Nano Therapy | Oral | | | |
| 15 | Jamilah Perkins | Prostate Cancer Nano-Therapy | Oral | | | |
| 15 | Janaa Doberta | Effective Communication during a Public Health | Postor | | | |
| 16 | Janae Roberts | Emergency The Effect of Modeled Microgravity on Macrophage | Poster | | | |
| 16 17 | Jasmine Washington | The Effect of Modeled Microgravity on Macrophage Gene Expression | Poster | | | |
| 17 | Jasmine Washington | Your Immune System at Work: The Role of UNC93b in TOLL Like Receptor 9 Trafficking Drug Discovery's Headlight's: Jorgensen Rule of | Power Point | | | |
| 10 | Edjohnier Phillips | Three and Lipinski's Rule of Five | Oral/Poster | | | |
| 19 | Charity Moody | The Eating Habits of a Diabetic Household | Power Point | | | |
| 20 | Melvin Smith | Foodways: Family and Feast | Power Point Power Point | | | |
| 20 | Chantal Willis | Attitudes Toward Sexting in a Mississippi High School | Power Point Power Point | | | |
| 21 | Amanda Osborne | | Power Point Power Point | | | |
| 22 | | Rumors on College Campus: The Illuminati In-Family Adoption | Power Point Power Point | | | |
| 23 | Taylor Streeter | In Londy Adoption | Down Dornt | | | |

| 24 | Ansley Scott | Feminsion and the Varying Attitudes Towards It | Power Point | | | |
|--|--|--|-----------------|--|--|--|
| | MS- INBRE Symposium – Hattiesburg MS 4/30/2011 | | | | | |
| 25 | Jasmine Washington | The Effect of Modeled Microgravity on Macrophage Gene Expression | Poster | | | |
| 26 | Jasmine Washington | Your Immune System at Work: The Role of UNC93b in TOLL Like Receptor 9 Trafficking | Poster | | | |
| | RIMI Grant Symposium – Tougaloo, MS 5/10/2011 | | | | | |
| 27 | Jasmine Washington | Identification of Plasma Lipid Markers for Prostate Cancer by Lipidomics | Poster | | | |
| | McNair, S | mart, HBCU Summer Research - Fort Worth, TX 7/28/2011 | | | | |
| 28 | LeBroderick Woods | How Important is the Community in Community Gardens | Oral/Poster | | | |
| | Leadership Alliance National Symposium - Greenwich, CT 7/29-30/2011 | | | | | |
| 29 | Tamera Hughes | The Synthesis, Durifaction and Characterization of B- Nitrostyrene Compounds | Poster | | | |
| 30 | Edjohnier Phillips | Could CR3 be a receptor for B-Glucan? | Oral/PowerPoint | | | |
| 31 | Ashley Tutson | Determinants of the health-Related Quality of Life in Patients with Type 2 Diabetes | Poster | | | |
| Graduate School of Biomedical Sciences Summer Programs Poster Session - San Antonio, TX 7/29/2011 | | | | | | |
| 32 | Ashley Poullard | The Effect of Estrogen Signaling on Prostate Cancer Cell Tumorgenicity | Poster | | | |
| Harvard University & Brigham and Women's Hospital Four Directions Summer Research Program – Boston, MA 7/31/2011 | | | | | | |
| 33 | Grejika Abram | The Mechanism by which GNRH and Activin Synergize to Augment FSH-B Gene Transcription | PowerPoint | | | |
| | IBM- Almaden Resear | rch Center Intern Summer Research Showcase - San Jo 8/2/2011 | se, CA | | | |
| 34 | Jasmine Washington | Investigation of Polymer-Functionalized Carbon Nanotubes for Nanomedicine | Poster | | | |
| | | am and Women's Hospital STARS Research Program · | | | | |
| 35 | Grejika Abram | 8/2/2011 The Mechanism by which GNRH and Activin Synergize to Augment FSH-B Gene Transcription | PowerPoint | | | |
| Final Lab Meeting Presentation - San Antonio, TX 8/4/2011 | | | | | | |
| 36 | Ashley Poullard | The Effect of Estrogen Signaling on Prostate Cancer Cell Tumorgenicity | Oral | | | |
| Brown University Research Symposium - Providence, RI 8/4/2011 | | | | | | |
| 37 | Ashley Tutson | Determinants of the health-Related Quality of Life in Patients with Type 2 Diabetes | Poster | | | |
| 38 | Edjohnier Phillips | Could CR3 be a receptor for B-Glucan? | Poster | | | |
| Jackson State University Summer Research Symposium - Jackson, MS 8/5/2011 | | | | | | |
| | | Nanoscience: The Effect of Shape on the Therapeutic | | | | |

| Equity and C.U.R.E. Summer Program Presentation - Portland, OR 8/12/2011 41 Elizabeth Jones Does COL6A2 Gene Mutations Affect Type VI Collagen and Lead to Heart Disease? Pc 42 Joy Walker Molecular Tools for Visualizing Sensory Structure Development Pc 43 Mohamed Children Hospital SEARCH Program /Mentor Evaluation – Columbus, OH 8/15/2011 Powe 43 Mohamed Mohamed Childhood Obesity Powe 10/7/2011 44 LeBroderick Woods How Important is the Community in Community Gardens Pc 4/2 4/2 Joy Walker Powe 11th Annual Health Disparities Conference - Jackson, MS 10/7/2011 4/3 Mohamed Mohamed Childhood Obesity Powe 10/7/2011 4/4 LeBroderick Woods How Important is the Community in Community 4/4 LeBroderick Woods Synthesis, Purification and Zcharacterization of Beta- Nitrostyrene Zcompouds Pc 4/4 LeBroderick Pown and Neck Squamous Cell Carcinoma Pc 4/4 Larekia Brown and Neck Squamous Cell Carcinoma | erPoint |
