

Presentation by JHS UTC Scholars - 2004

#	Meeting	Place	Date	Scholar-Presenter	Title
	Leadership Alliance Research Symposium	Virginia	Jul. 04	Deree Vance	Identifying Barriers and Facilitators of Physical Activity for Black Women Enrolled in SisterTalk, a Weight Management Program.
	Summer Experience Series	Tougaloo, MS	Aug. 04	Tiffany Jones	The Risks of Renal Cell Carcinoma Among Cases and Controls in the ATBC Study
	Summer Experience Series	Tougaloo, MS	Sept. 04	Pavielle Hall	Project Firm: Family Based Insulin Resistance (A Pilot Study)
	Summer Experience Series	Tougaloo, MS	Sept. 04	Deree Vance	Identifying Barriers and Facilitators of Physical Activity for Black Women Enrolled in SisterTalk, a Weight Management Program.
	McNair Regional Symposium	University of California	Aug. 04	Scharri Ezell	Aromatase Expression During the Developmental Process
	INSPIRE (Interstate Network of Science Programs Integrating Research and Education)/	University of Southern Mississippi Hattiesburg, MS	Oct-04	Kewanza Williams	Preparation Of Transparent $Y_3Al_5O_{12}$ (YAG) Ceramics From Commercial Y_2O_3 and Al_2O_3 Powders By Vacuum Sintering
	JSU Health Disparities Conference	Jackson, MS	Oct-04	Pavielle Hall	Project Firm: Family Based Insulin Resistance (A Pilot Study)
	Summer Experience Series	Tougaloo, MS	Oct-04	Leslie Whiting	Expressions of Specific Cytokine and Signal Transduction Molecules Show Correlation with Asthma: Results from Gene Array and RT-PCR Studies
	JSU Health Disparities Conference	Jackson, MS	Oct-04	Tracie Perkins	Selective Attention and Cerebrovascular Risk in Older African Americans

	Summer Experience Series	Tougaloo, MS	Oct-04	Lortetta Cain	Environmental Justice: Analysis of Caranogen Emissions in Savannah, GA
	Summer Experience Series	Tougaloo, MS	Oct-04	Scharri Ezell	Aromatase Expression During the Developmental Process
	Annual Biomedical Research Conference for Minority Student	Dallas, TX	Nov-04	Kewanza Williams	Preparation Of Transparent $Y_3Al_5O_{12}$ (YAG) Ceramics From Commercial Y_2O_3 and Al_2O_3 Powders By Vacuum Sintering
	Annual Biomedical Research Conference for Minority Student	Dallas, TX	Nov-04	Tiffany Jones	Risk of Renal Cell Carcinoma Among Patients
	Annual Biomedical Research Conference for Minority Student	Dallas, TX	Nov-04	Jennifer Fisher	Confocal observation on the intracellular antigen processing pathway in eosinophils.
	Annual Biomedical Research Conference for Minority Student	Dallas, TX	Nov-04	Pavielle Hall	Project Firm: Family Based Insulin Resistance (A Pilot Study)
	Annual Biomedical Research Conference for Minority Student	Dallas, TX	Nov-04	Tracie Perkins	Selective Attention and Cerebrovascular Risk in Older African Americans
	Annual Biomedical Research Conference for Minority Student	Dallas, TX	Nov-04	Deree Vance	Identifying Barriers and Facilitators of Physical Activity for Black Women Enrolled in SisterTalk, a Weight Management Program.
	Annual Biomedical Research Conference for Minority Student	Dallas, TX	Nov-04	Leslie Whiting	Expressions of Specific Cytokine and Signal Transduction Molecules Show Correlation with Asthma: Results from Gene Array and RT-PCR Studies
