

Presentations by JHS UTC Scholars - 2007						
#	Meeting	Place	Date	<u>Scholar-Presenter</u>	Title	Type of Presentation
1	Mississippi College & Tougaloo College Undergraduate Research Symposium	Clinton, MS	3/23/2007	Desmond Henderson	Project FIRM (Family -Based Insulin Resistance Management)	Oral/PowerPoint
2	Mississippi College & Tougaloo College Undergraduate Research Symposium	Clinton, MS	3/23/2007	Aerielle Booker	Tastes Like Candy: The Efficacy and Abuse of Psychoactive Drugs	Oral/PowerPoint
3	Mississippi College & Tougaloo College Undergraduate Research Symposium	Clinton, MS	3/23/2007	Antoinette Dawson	Stressed in Search of Success: Hypertension in the Tougaloo College Student	PowerPoint
4	Mississippi College & Tougaloo College Undergraduate Research Symposium	Clinton, MS	3/23/2007	Marla Washington	Beefing Up: The Exploitation of Steroid Use in the Exigent World of Sports	Poster
5	Tougaloo College Honors Research Symposium	Tougaloo, MS	4/28/2007	Kimystian Harrison	Dangerous Minds: The Damaging Effects of Peer Pressure on Self-Esteem in Young Adults	PowerPoint
6	Tougaloo College Honors Research Symposium	Tougaloo, MS	4/28/2007	Antoinette Dawson	Stressed in Search of Success: Hypertension in the Tougaloo College Student	PowerPoint
7	Tougaloo College Honors Research Symposium	Tougaloo, MS	4/28/2007	Gina Hamilton	Aw What a Healing Feeling: The Wound Healing process Increased by Mechanosensitivity for Diabetics	Oral/PowerPoint

8	Tougaloo College Honors Research Symposium	Tougaloo, MS	4/28/2007	Marquita Watkins	Eve or Steve: Establishing What Constitutes Gender	Oral/PowerPoint
9	Tougaloo College Honors Research Symposium	Tougaloo, MS	4/28/2007	Aerielle Booker	Tastes Like Candy: The Efficacy and Abuse of Psychoactive Drugs	Oral/PowerPoint
10	Tougaloo College Honors Research Symposium	Tougaloo, MS	4/28/2007	Marla Washington	Beefing Up: The Exploitation of Steroid Use in the Exigent World of Sports	PowerPoint/Poster
11	52nd Caribbean Health Research Council Meeting	Jamaica, West Indies	5/5/2007	Janelle Alleyne	Pre-Eclamptic Pregnancies in Barbados: Risk Factors and Infant Outcomes	Oral/PowerPoint
12	Brown Summer Research Symposium	Providence, RI	6/2/2007	Yolanda Patterson	A Novel Paradigm for Object Recognition in Rats	Poster
13	Ronald E. McNair Summer Presentations	Oxford, MS	6/28/2007	Erica Randolph	Pulmonary Arterial Smooth Muscle Remodeling Induced by Chronic Hypoxia	Powerpoint
14	Memphis McNair Scholars Presentation	Memphis, TN	7/26/2007	Alicea Smith	Role of Bacterial DNA in Triggering Macrophage Responses When Exposed to Different Classes of Antibiotics	Oral/Powerpoint
15	SURF Program	Rochester, NY	7/27/2007	Kristie Mckenzie	Effect of whitening on surface stain resistance and microleakage of flowable resin composite restoratives	Powerpoint
16	SURF Presentation	Rochester, NY	7/27/2007	Joshua Green	Physical Exercise and Self-Esteem Among metastatic Breast Cancer Patients	Powerpoint
17	Leadership Alliance Research Symposium	Stamford, CT	7/28/2007	Keita Rouser	To hear, or not to ADHERE: A follow-up study on SisterTalk ADHERE participants	Poster

18	Summer Research Symposium	Providence, RI	8/2/2007	Keita Rouser	To hear, or not to ADHERE: A follow-up study on SisterTalk ADHERE participants	Poster
19	Agency for Toxic Substances and Disease Registry (ATSDR) Intern Research Presentations	Atlanta, GA	8/2/2007	Jamille Taylor	Evaluating environmental exposure questionnaires for differential responses	Oral/Powerpoint
20	UTRA Summer Research Symposium	Providence, RI	8/2/2007	Janelle Alleyne	A Novel Paradigm for Object Recognition in Rats	Poster
21	Broad Undergraduate Research Genomic Presentation	Cambridge, MA	8/6/2007	Sara Tribune	Common NOS1AP genetic Variation and QT interval duration in African Americans	Powerpoint
22	Framingham Heart Study	Framingham, MA	8/8/2007	Steven Shadwick	Association of Lifestyle Factors with Subcutaneous and Visceral Adiposity: the Framingham Heart Study	Powerpoint
23	Broad Undergraduate Research Genomic Poster Presentation	Cambridge, MA	8/9/2007	Sara Tribune	Common NOS1AP genetic Variation and QT interval duration in African Americans	Poster
24	Journal Club	Providence, RI	8/9/2007	Janelle Alleyne	A Novel Paradigm for Object Recognition in Rats	Oral/Powerpoint
25	Project: IMHOTEP Intern Presentations	Atlanta, GA	8/10/2007	Jamille Taylor	Evaluating environmental exposure questionnaires for differential responses	Oral/Powerpoint
26	MIT Summer Research Program Poster Session	Cambridge, MA	8/10/2007	Sara Tribune	Common NOS1AP genetic Variation and QT interval duration in African Americans	Poster
27	Summer Research Symposium	Providence, RI	8/12/2007	Amanda Patterson	Cyclic GMP-Dependent Protein Kinase Inhibits Cyclic Nucleotide-gated Channels of vascular Smooth Muscle	Poster

28	Summer Research Symposium	Providence, RI	8/16/2007	Amanda Patterson	Are Pacemakers Ion Channels Modulated by Derivatives of Vitamin A?	Poster
