INTRODUCTION

The Jackson Heart Study (JHS) is described at www.jacksonheartstudy.org.

To protect the confidentiality and privacy of JHS participants and their families, investigators granted access to **Data** and **Materials** must adhere to the requirements of this DMDA. Failure to comply with this DMDA could result in its termination, denial of further access to JHS or other National Heart, Lung, and Blood Institute (NHLBI) resources, and may leave violators subject to legal action on the part of JHS participants, their families, or actions brought by the United States of America (U.S. Government).

The undersigned parties entering into this DMDA include: the **Recipient** (defined in the next section), the NHLBI, and the Coordinating Center for the JHS, on behalf of the JHS and under the direction of the JHS Steering Committee.
