“Now I have a series of questions about your health habits. The first question involves your exposure to cigarette smoke. The remaining questions will be about tobacco use.”

1. In the past year about how many hours per week, on the average, were you in close contact with people where they were smoking? For example, at work, your home, in a car, or other close quarters? .............................................. Hours

2. Since you initially enrolled in the Jackson Heart Study, have you used tobacco for the first time? ................................................................................ Yes 1 No 2

3. Have you smoked at least 400 cigarettes in your lifetime? [CODE “NO” IF LESS THAN 400 CIGARETTES, THAT IS, 20 PACKS OR 2 CARTONS IN A LIFETIME] ............................................. Yes 1 No 2

4. How old were you when you first started to smoke cigarettes regularly, that is, every day? [ENTER “00” IF NEVER SMOKED REGULARLY] ......... Age

5. Do you now smoke cigarettes? ................................................................. Yes 1 No 2
6. How long has it been since you last smoked cigarettes? ................................. 6a. [CALCULATE # OF MONTHS AND YEARS BASED ON PARTICIPANT RESPONSE]

6b. ☐ ☐ Months

(IF PARTICIPANT HAS SMOKED CIGARETTES WITHIN THE PAST 3 MONTHS, SAY: "Please answer the next few questions with regard to your current or recent cigarette smoking practices.")

(IF PARTICIPANT HAS NOT SMOKED CIGARETTES WITHIN THE PAST 3 MONTHS, SAY: "Please answer the next few questions with regard to your usual cigarette smoking practices before you quit."

7. How many cigarettes do (did) you smoke per day? ............................................ Cigarettes

7a. Is (Was) your preferred brand of cigarettes menthol flavored? [Don’t know=7, Refused=8, Missing =9] ...............................Yes 1

(IF PARTICIPANT STATES "IN THE MORNING", "WHEN I GET UP" "WITH MY COFFEE" OR A SIMILAR RESPONSE, CLARIFY.)

8. Do (did) you smoke more frequently during the first few hours after awakening than during the rest of the day? ...................... Yes 1

9. In the past year, how soon after you wake (woke) up do (did) you smoke your first cigarette? Would you say within the first 5 minutes, the first 30 minutes, the first hour, or more than an hour after awakening? ........................................ 0–5 minutes 1

(IF PARTICIPANT STATES "IN THE MORNING", "WHEN I GET UP" "WITH MY COFFEE" OR A SIMILAR RESPONSE, CLARIFY.)

6–30 minutes 2

31–60 minutes 3

61 minutes or more 4

10. Of all the cigarettes you smoke (smoked) during the day, which one would you hate (have hated) to give up most? [IF PARTICIPANT STATES "IN THE MORNING", "WHEN I GET UP" "WITH MY COFFEE" OR A SIMILAR RESPONSE, CLARIFY.] ........................................ First of the day 1

Any other 2

11. Do (did) you find it difficult to refrain from smoking in places where it is forbidden, for example, in church, the library, cinema, etc? ................................................................. Yes 1

No 2

12. Do (did) you smoke if you are (were) so ill that you are (were) in bed most of the day? ................................................................. Yes 1

TOB/Version B 02/24/2009 2 of 6
13. On the average, for the entire time you have smoked, how many cigarettes did you usually smoke per day? .................................................................

[ENTER EXACT NUMBER. CODE $\frac{1}{2}$ CIGARETTE PER DAY AS 01, ANYTHING LESS AS 00]

14. Since you began smoking, for how many years were you off cigarettes? ..............................................................................................................

15. How deeply do (did) you inhale the cigarette smoke—
not at all, slightly, moderately, or deeply?.............................................
